

**WEST**

Women in the Enterprise  
of Science & Technology

Promoting women's careers, preparing tomorrow's leaders

# Thriving through Career Transitions

**February 22, 2021, 6:00 - 7:35 PM, Zoom**

Change is constant in the industry, so it is necessary  
to be constantly thinking about your career

## Join us to:

- Hear from women who have successfully navigated through major transitions in their careers
- Join breakout rooms where you can discuss transition-related topics
- Speak with representatives of companies who are hiring. Learn more about the culture at these companies and what they're looking for in their new hires

## Cost:

Members: \$0, Non-Members: \$5
