

Spring Networking Night

June 10, 2021

5:30-7:00 PM Zoom

Looking to keep building your community and resilience to make it into the post-covid world?

Then join us for our Spring Networking Event.

We'll be gathering on a new service called Gather.town, a virtual space where we can network and bump into each other like in the pre-pandemic world. There will be group breakout sessions on Zoom and more.

This event is free thanks to our sponsor.
