

## Best Practices for Hiring, Developing, and Retaining Women Leaders in High Tech Panel Discussion

Monday, September 28, 2015, 6:00 p.m. – 9:00 p.m.

Join us for a panel presentation and participative dialogue about best practices in hiring, developing, and retaining women leaders in the science and technology fields. Our panelists will share some approaches that work and describe how women and men, working together, are starting to move the needle on the gender divide.

Network with other movers and shakers in the science and technology community and be inspired while enjoying appetizers, wine, and dessert.

**Location:** Dassault Systèmes, 175 Wyman Street, Water Building, Experience Briefing Center, Franklin Room, Waltham, MA 02451
