

WEST Career Navigator™ Program

Find your optimal path to career success with the guidance of expert career experts from WEST. Our Career Navigator™ Program will help you find the most fulfilling destinations to fit your industry career and life objectives in a series of six customized, small groups sessions made up of 15 WEST members.

Each session will be interactive, driven by the needs of the WEST-selected participants and guided by leading women in the science and technology community. Capture the power of the WEST network and find the smart way to energize and advance your career by demonstrating your commitment and drive to improve. Maximize your contributions on the industry career path you have chosen with the WEST community helping you at every critical turn.

Avoid potholes and detours. Drive with confidence.
